INSPIRE is a fellowship program at MIT for teacher educators interested in playful practice spaces.

**Program**
August 4th-5th Design Workshop at MIT
Monthly Webinars and Meetings
Community of Teacher Education Researchers

**How will you respond?**
Choose your next question by clicking one of the below speech bubbles:
- How would you describe a fossil?
- Can there be fossils of animals and plants that aren’t extinct?
- Do you know what the fossils themselves are made of?
- It’s cool that you put feathers on your Velociraptor project. Do you know why scientists think some dinosaurs had feathers?

Paid Travel to MIT | Co-Design and Collaborative Research | $2,000 Stipend
